

Bexar County Cellular on Patrol Application

Your Neighborhood Association and the Bexar County Sheriff's Office, invite you to become an asset to your area by becoming a volunteer member of the neighborhood based patrol group Cellular on Patrol (COP). The area wide crime watch program will consist of responsible citizens patrolling with cellular phones that have a direct line to emergency assistance. This program can be successful with your help. To become involved with COP you must attend a training session of eight hours and a ride-a-long with a deputy up to 8 hours. Affiliation with a neighborhood association is not required. A cellular phone will be furnished to a designated COP graduate member of each participating group. One phone per group of 8 or more participants. For more information about the COP program, please call your neighborhood association president or the Bexar County Sheriff's Office ~ Directed Patrol ~ at 210-335-5791 or 210-335-5787.
